

## South Mountain Airs

### The Newsletter of the South Mountain Audubon Society

October – December 2017, Volume XXXVIII #4 – The E-mail Edition

#### UPCOMING EVENTS

Details and information are covered below, in order, based on the actual event dates and times.

#### BOARD MEMBERS NEEDED!!

Please consider joining the South Mountain Audubon Society's board. Open positions are Field Trip Chair, Publicity Chair and Program Chair. You do not have to be a good birder to fill the last 2 positions. Field trip chair does take some knowledge about birds, seasons and habitats but fellow board members are willing to help.

There are only 4-5 board meetings a year and attendance is not required but encouraged. If you have any questions about the responsibilities of these positions, please call Deb Siefken at 717-677-4830 or email her at [siefkend@embarqmail.com](mailto:siefkend@embarqmail.com).

#### UPCOMING REGULAR MEETINGS

Unless indicated otherwise, all SMAS Programs are held at the Adams County Agricultural Resource Center, 670 Old Harrisburg Road, Gettysburg, PA . Refreshments, when served, are usually available at 7 PM with a social time followed by the scheduled program / presentation at 7:30PM. A room number for the SMAS meeting will be posted on the front lobby entry inner door.

We've posted the information on our total activities' schedule throughout the year at the end of this edition. Please let the Leader know in advance if you plan to attend any field trip, especially if you plan to go direct. Trips are subject to weathering out, especially in the colder months, or otherwise being changed. In addition, if we have only one or two known attendees, we may cancel or reschedule a given field trip. We cannot alert you unless we hear from you.

All are invited and welcome to join SMAS for the 2017 CBC. Contact Mike OBrien at 717.642.6676 or [maddogobrien@gmail.com](mailto:maddogobrien@gmail.com)

### **Checkout our South Mountain Audubon Society Website!!!**

SMAS has a Website which is being added to on a regular basis.

The home page has some general information and synopses of Chapter activities as well as a number of links to other informational aspects. These include the Calendar, Board members and officers, Chapter meeting minutes, current and archival newsletter editions, and links to a number of other Adams County organizations as well as other county, state and national groups and organizations.

We are also working to put up some location specific area checklists. Many of these are in place. All are encouraged to offer suggestions on what you would like to see on the website. Contact info is on the site.

### Accessing the SMAS Newsletter

A great feature of having the Newsletter on-line and receiving it via e-mail, is that you can always access a misplaced or discarded issue at a future date. You can access the Newsletter in several ways.

First, if you do not routinely discard your emails or you retain selected items in your in-box or transfer them to a saved information folder or similar, you can always access them at a future date on your own system. You can also print out a hard copy and keep it for quick reference.

And, of course, per information above re the new SMAS Website, you can reference current & past issues there.

## SMAS Annual Schedule Information

Regular SMAS Monthly Program Meetings are usually held Jan / Mar / May / June / Sept / Oct / Nov.

Unless indicated otherwise, all meetings are held on third Mondays of the month at 7:30 PM at the Adams County Agricultural Center. We have a social time from 7:00 to 7:30 PM, usually with refreshments available. Please see complete information at the beginning of this and every Newsletter in case there is any variation by quarter. Please check individual programs in each issue in the event of a change in times and / or venue.

Field Trips are normally held monthly in Feb / Mar / April / May / Jun / Sept / Oct / Nov. In December we substitute the annual Christmas Bird Count for the monthly field trip.

Some of these monthly field trips traditionally repeat each year, such as the Christmas Bird Count and the Migration Count in May. We usually go to a nearby hawk watch site in late September or early October.

The Annual Christmas Bird Count (CBC) is held by design between 14 Dec and 5 Jan. For SMAS, this is in lieu of a regular field trip. We schedule our SMAS CBC on the first available Saturday after 13 Dec. In the event of really bad weather, we may cancel and reschedule.

The Annual Luncheon has been traditionally held in April, in lieu of the regular monthly meeting.

Our SMAS Annual Picnic and get together is held in August on the second or third Monday. This is "Bring A Dish" to share and the kickoff is 5 PM with dinner at 6 PM. In addition to bringing a dish to share, attendees should bring their own place setting materials as well as their drink(s) of choice.

All meetings, field trips and other activities are subject to weathering out or other cancellation reasons. If you are on our email list (receiving our Newsletters and other information) you will get an email notification as soon as the decision is made. Otherwise, if there is some question based on the weather or some other issue, please contact the field trip leader or someone from the list of Board Members / Committee Chairpersons applicable to your question(s).
